GIVING IN MOTION

Although Serendip runs some long standing projects we are always looking for new schemes to support. These are just some of our latest initiatives.

14 YEARS OF IMPACT AND COUNTING

For the past 14 years, Serendip has been a beacon of hope and support for communities in need. Each year, we have the privilege of **positively impacting** the lives of at least 1,500 individuals and many more overall over the years. Our commitment ranges from ongoing projects to seasonal initiatives, each tailored to address specific needs. In this newsletter, we're excited to share updates on just a few of these endeavours that continue to make a meaningful difference.

BRINGING CLEAN WATER TO VILLAGES

In the hill country regions like Badulla, Matara, and Monaragala, the daily task of collecting water is a significant challenge for villagers. To address this, we're constructing water tanks, distribution lines, and collection points, transforming the effort to **access clean water** into a simpler, more manageable task. Your contributions can greatly assist in this vital project, making daily life easier for these communities. Please consider supporting our efforts to bring clean water to these hillside villages. **Interested?** (see below)

IMPROVING SHELTER

(for Sri Lanka's Tea Plantation Workers)

In the hill country of central Sri Lanka, tea plantation workers live in huts with worn-out tin roofs. These roofs often fail during the rainy season, making the houses nearly uninhabitable. We're working to replace and repair these roofs.

So far, we've helped over 50 families, but many more need our support. The cost for each roof is around £150-£175. Your donations, whether for one roof or multiple, can make a **significant difference** in providing secure and dry homes for these workers. **Interested?** (see below)

Sponsor one-off
livelihood small business project

£200 EACH

Sponsor students books & educational material on any of your special occasions

ANY AMOUNT YOU WISH!

CULTIVATING CONFIDENCE

In our two Fine Art Centres, we teach over 150 students various instruments and dance forms, led by skilled teachers. More than learning the arts, our goal is to build confidence and character in our students, helping them stand out positively in their communities.

This project is about nurturing not just talent, but also **personal growth and community spirit**. Your assistance can significantly contribute to the personal and artistic growth of these young talents. **Interested?** (see below)

SUPPORT

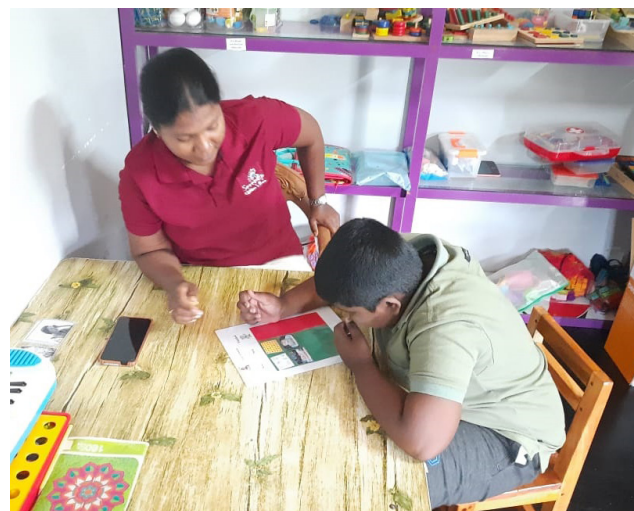

If you're interested in supporting these enriching initiatives, please reach out to us at info@serendipchildrenshome.com or consider donating through our website (<https://www.justgiving.com/serendipchildrenshome/Donate>) and let us know which project you wish to provide some support for.

We have only highlighted a handful of recent projects. We would alternatively welcome a donation to spread out help to all our projects.

CHILDREN WITH SPECIAL NEEDS

In our centre, we're all about giving children with special needs the tools to shine. Our team offers therapies like occupational, speech, and physiotherapy with a lot of heart. Each day, we see these kids make amazing strides, gaining confidence and independence. Your support helps make this happen. It's not just help—it's hope. **Want to be part** of their journey?
